PRESS RELEASE

12 June 2025

UPDATE ON INJUNCTION PROCEEDINGS – HIGH COURT OF SABAH & SARAWAK AT TAWAU

AuMas Resources Berhad (“AuMas” or “the Company”) and its wholly owned subsidiary, Wullersdorf Resources Sdn Bhd (“Wullersdorf”), wish to update stakeholders regarding the ongoing legal proceedings against Datuk Lo Fui Ming and Southsea Gold Sdn Bhd (“Defendants”) in relation to interference with the Tailings Storage Facility (TSF) at the Bukit Mantri Gold Mine.

At today’s scheduled hearing for the inter partes injunction, the Defendants did not file their affidavits in response to the Company’s application. Notwithstanding, the Court made the following key directions:

The High Court granted an ad-interim injunction, thereby extending the earlier ex-parte injunction granted on 29 May 2025. This interim order shall remain in effect until the disposal of the full inter partes hearing.

Mention Fixed for 18 June 2025

The Court has fixed the next mention date on 18 June 2025. At the next mention, the Court is expected to issue directions for the filing of affidavits and scheduling of the inter partes hearing.

The Company will continue to take all necessary legal measures to protect its rights and to ensure the safety and environmental compliance of its mining operations.

Further updates will be provided as the matter progresses.
